Allocations for the Class area, including Gordon Plaza, Gordon Plaza Senior Apartments and Press Park Townhomes, are based upon how long you resided at the address prior to December 31, 2000. Therefore, you must have established your beginning date and end date, at each address claimed for the period which you claim residency. For an ownership claim to be valid, you must have been the owner of a Class Area property on January 31, 1993. Allocations for the remaining class area are set at a flat rate, no matter how long you may have resided or worked in that area. Moton School student or employee claims are NOT a part of this allocation. The class definition does NOT include any provisions for claims made for attendance or employment at St. Phillip the Apostle Catholic School.
